

# KEY Blood Drives 2022–2023

# All about blood!

- Blood transfers oxygen and important nutrients throughout your body!

RED BLOOD CELLS = 40–45% blood vol

PLATELETS= control bleeding and plug wounds

PLASMA= transfers water and nutrients

WHITE BLOOD CELLS: fight disease

# Why Donate?

- **Save lives! Blood is needed every single day!**  
**Blood has a limited shelf life and cannot be produced outside of the body**
- **Get a free check-up before donating**
- **Learn about your blood type, cholesterol and more**
- **Get cool One Blood merch**
- **Snacks and drinks :)**

**YOU can make a difference**

# Dates & Announcing

**FIRST DRIVE!! Sept 29th**

note: 2 pts for  
whole blood, 3  
pts for  
platelets :)

**Other drive dates:**

**12/5/22**

**2/9/23**

**4/20/23**

I will send out drive info on Key Club Facebook 2 weeks

in advance! You will find:

Sign-ups for volunteering

Information about donating

Points awarded

# Volunteering

- Sign up for slots through Sign-Up Genius– 2/3 people per slot
- 2 days of sign-ups before drive, plus on day of drive
- Visiting more traditional rooms– the more donors the better
- Points awarded: 1 for each volunteer period
- Volunteering is a fun and easy way to get points!
